WHAT OUR CUSTOMERS SAY....

“We just wanted to say a huge thank you for the Upsey Daisy Training Pants. We had been trying to potty train our little girl for some time and it was becoming extremely stressful especially as we felt tied to the house for fear of accidents.

Your pants changed all that!

We explained to our little girl that they were special big girls pants and she should try not to wet them. She took to them straight away but when she did have the occasional accident not only could she feel that she was wet but her clothes stayed dry!

We were able to venture out again with confidence, and instead of taking a complete change of clothes I just pop a spare pair of training pants into my handbag!

Thank you for such a fantastic idea! Whoever would have thought that potty training could be so difficult? Well, it's not now thanks to you!”

The Jenkins Family

“I would like to say ‘Thank You’ for your help, it is appreciated very much, also for your prompt delivery”

P.B. Powell

“Thank you so much for all your help. We are so pleased with the quality, style and variety of your products”

Mrs Dawson

“Many thanks for your help with my son's special underwear. They will make his time during the day at school more manageable”
